MIGRATION TO NEW ONLINE SERVICES MODULE

We are pleased to inform that the Institute has migrated to new online portal for most of the services pertaining to Students. The Old System for selected services will continue for some more time. Students are hereby advised to “Reset the Password” by [clicking here](#) as a first step in the direction of moving to the new system. Please click on the tab “SMASH LOGIN” in the login page to visit the new portal. The links for the various User Manuals developed under the new system have also been provided in the login page. Students are advised to go through the Manuals. Some of the services as mentioned on the login page would continue to be provided under the old system which shall also be migrated to the new system in a phased manner.
