

ATTENTION STUDENTS !

PROCEDURE TO CREATE / RESET PASSWORD

Students are advised to follow the steps as given below for creating/ resetting password for the New Portal launched by the Institute :

<p>Step-1</p>	<p>Click on the following link to visit the SMASH Portal :</p> <p><u>SMASH PORTAL</u></p> <p>The following screen opens :</p> 
<p>Step-2</p>	<p>Students may directly visit the Reset/ Create Password link :</p> <p><u>RESET OR CREATE PASSWORD</u></p> <p>The following screen opens :</p> 
<p>Step-3</p>	<p>The following screen opens :</p> 
<p>Step 4</p>	<p>On entering the correct details, a One Time Password is automatically sent by the system to the registered E-Mail Id and Mobile Number. Also, the following screen opens :</p> 

Enter the One Time Password as received in the Mobile Number OR E-Mail id.

Step-5

On entering the One Time Password, the following screen opens :

Enter the New Password and Confirm the same. While entering new password, please ensure that the password contains atleast one character in Uppercase, one character in Lowercase, one Special Character and one Numerical character. For example Student@123.

Step 6

The following screen opens :

Password is created, say, Student@123

Note on Step 6 : If the 'Popup' is disabled in your browser, the window "Password created successfully" will NOT open. Therefore, please enable the 'Popup' Window in the browser (Internet Explorer/ Chrome, etc.) as per the image given below to enable the system to reset your password:

Please follow the criteria of password One Upper Case, One Lower Case, One Numeric and One Special Character in the password entered by you. For example, Student#4078, ICSI*2136, etc.

Step 7

Click on OK button, you are now you are ready to login to the new portal and avail the Online Services.

Visit the SMASH portal and login to your Online Account by entering your User Id (Registration Number) and the newly created password.
